

Climax

I chase the frog out of the house with a tennis racket.

Falling Action

I try and fail to get it into a bag.

I try and fail to trap it in a trash can.

I hide from it.

I spend the rest of the night cleaning up my mess.

I get into pajamas and watch t.v.

My parents come home.

Happy that things seem okay, my parents plan another outing.

Exposition

Parents never let me stay home alone, but one night the babysitter cancels and they have to. Everything starts off fine. I'm having a great time.

Conflict

I see a frog in the hall. I am totally afraid of frogs, so I freak out.

Resolution

I consider asking to not be left alone, then realize the frog incident showed me I'm stronger than I thought.
